PERSONAL PROJECTS

OU Student Organization Website *JavaScript/Java Query/HTML/CSS*

March 2019

- Created an award-winning website for Ohio University's official League of Legends club that allows coaching signups and feedback built utilizing Snapchat API for verification
- Utilized the google sheets API to store user responses and notify coaches when updated

Personal Website *JavaScript/HTML/CSS*

April 2018

- Coded a portfolio website from scratch using HTML with CSS styling and hosting it via GitHub Web Services

EXPERIENCE

Resident Assistant *Athens, OH*

May 2018 – Present

- Organized educational programs that focused on integrating undergraduate students into a new environment
- Supervise a floor of 30 first-year undergraduates while administering paraprofessional counseling to maintain their well-being and adapt to unfamiliar controversy
- Resolve issues that involved diversity, sexual misconduct, racism, alcohol, and drug abuse

League of Legends Club *Athens, OH*

September 2018 – Present

President/Founder

- Founded the largest eSport organization at Ohio University with over 70 active members and lead bi-weekly meetings
- Organized scrimmages and weekly practices as the nominated captain on the Varsity Collegiate Team that competes with over 350 universities across the country
- Facilitated an open and supportive community that is open to people both skilled and novice

Starbucks Barista *Santa Clarita, CA*

April 2017 – August 2017

- Provided friendly service to guests while overseeing food and beverage purchases, accepting payment, and making change
- Entrusted as an unaccompanied closer responsible for setup, cleanup, and stock work
